

***Living Simply:  
A Life in Balance***  
Reception Room 026

Why are we working so hard?  
All of us yearn for balance in our lives.  
We seek that precise  
alignment which will leave  
our physical, emotional and  
spiritual lives in perfect harmony.

Beginning with the understanding that  
simplicity is a natural  
response to loving God,  
we will seek to understand what it  
means to require nothing more than we  
need. Only God can guide us to that  
balance, which begins with  
transformation in our hearts.

***Now What? Faith in Transition***  
Fellowship Hall

The boat is rocking!

We often fear we won't be  
strong enough to live through times  
of transition, but that we will make  
a shipwreck of our faith. The truth  
is our belief in God has nothing  
to do with His actual existence  
or His faithful presence.

Beginning with Whose we are,  
we will explore the quiet and patient  
life that acknowledges the promises  
of faith in a sovereign God,  
whom we worship and praise.

***Beloved Disciple:  
Life & Ministry of John***  
A Beth Moore Bible Study  
Room 015

As the disciples were martyred,  
John remained to write his sublime  
Gospel proclaiming Jesus' identity  
as the eternal Word of God.  
John left a legacy of divine love  
to ignite the passion of future believers.

While at Patmos, John recorded His risen  
Lord's revelation of victory and hope.  
Just as Christ took John on a lifelong  
journey into the depths of His love,  
He will do the same for you.

***Faith: Here and Now***  
Room 020

What are the essentials of faith?

What are the basic elements that  
compose and characterize our faith?

Beginning with the Source,  
and continuing on the journey which  
blends conviction and humility, we will  
grapple with living our faith, here and now,  
with bold confidence and freedom.
